# BNL NPP PAC meeting follows this Thursday, Friday

# Logistics

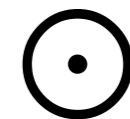

---

- Our admins Mariette Faulkner and Erica Lamar are able to solve many problems – great idea to talk with them if something has gone awry!
- funds for coffee and carbs thanks to BNL
- wi-fi: BNL now has eduroam (and also Corus). If you have any difficulties getting online, BNL help desk x5522 can actually help you succeed.

# Juniors' social event

---

6pm this evening in the LSR lobby, see Megan Connors if you have questions. Jin Huang took care of getting the alcohol permit (starting at 6:30pm) – excellent! Non-juniors are welcome to drop by, also very welcome to contribute to the Juniors' pizza and beer fund.

30m west of here!

# Collaboration dinner Wednesday evening

---

- Brickhouse Brewery in Patchogue – claims to be Long Island's oldest brewery
  - ~20 minute drive from BNL
  - self-organize into caravans to get there and back – if you need a ride or if you can give a ride, please let Mariette know
  - casual, good food and beer
- \$32 for the buffet and non-alcoholic drinks – please see Mariette today
